

## BECOMING MERLIN

*The youthful Merlin is born from the Feminine.  
On his handmade cart he pulls his blanket of leaves,  
Her talisman.  
The horns were once his crib, the others his  
Tools for the future.  
He is a model of psychic wholeness in harmony  
With Nature.  
He is what we seek to become.*

BECOMING MERLIN – 1998  
Bronze – 4.5'(h) x 3'(w) x 6.5'(d)  
Castings are in editions of five.  
Ann Morris - \$40,000
