

DANCE OF LIFE

*The women who voluntarily journey into the inner labyrinth will discover,
and can release joyous instinctual masculinity.*

*Willingly encountered by the female, the masculine
no longer needs to hide in shame, but shines with his true power
when joined with her. Together they are the spontaneous Dance Of Life
from which all creativity springs.*

*The internally integrated masculine and feminine spirit in us all
dance the world into being.*

DANCE OF LIFE –1995

Bronze – 9'(h) x 5'(w) x 5'(d)

Castings are in editions of five.

Ann Morris - \$75,000
